Greetings,

As of Wednesday, September 23 the Diocese of Northern Indiana has adopted the Michigan adaptation of the protocols for worship.

We know more about managing our lives safely in this pandemic now than we did in March. In addition, the diocese asked each parish to submit a Pastoral Plan for Regathering, and has helped identify what additional best practices needed to be in place for in-person worship. Adhering to protocols for gathering safely for in-person worship like ours, the dioceses in Michigan have allowed for in-person worship using the lower number of 25 % of full legal capacity OR seating with 6' between household groups.

Taking what we have learned into account, the missionaries and Bishop Doug offered the "Michigan adaptation" for consideration. After considerable discussion, most of the clergy and lay leaders supported adopting the "Michigan adaptation" for our diocese. This will require some additional work in reaching a specific number, given the size of each of your worship spaces. However, it could make it possible for more of us to begin gathering indoors for in-person worship weekly as we approach October. Father Ryan and Sr. Warden Greg Ellis are both in favor of us moving to this policy.

We will no longer have to wait until Thursday afternoon for a determination letter or track our numbers for 14 days. We will continue to follow all of the CDC Guidelines and protocols set in place. We will continue to wear face-masks. If Covid numbers spike and we are asked to close by Governor Eric Holcomb or Mayor Joe Thallemer we will do so, otherwise St. Anne's will be open for worship with up to 65 in the sanctuary and 35 in Rose Hall for a maximum of 100.

As you can see from the picture to the right, we are practicing social distancing, have our seats marked with blue tape, and are following the mask mandate.

If you have any questions, please let us know.

ALL SAINTS—NOVEMBER 1

All Saints’ Day is Sunday, November 1. It is a very special day in our church. It is when we celebrate the whole cycle of life, remembering those who have died, as well as welcoming new members in Christ through Holy Baptism.

Holy Baptism is the beginning of a lifelong journey as a Christian, which is upheld and supported by the Body of Christ, the Church alive in the world. Therefore, it is important that you or your child be baptized within a Christian community that will love, support and walk alongside you or your child in this life.

Please call or email the office for information about baptism.

Also, if you would like the church to pray for someone who has died, please print his/her name in the All Saints’ binder in the sanctuary, beginning October 18.

ST. ANNE’S CHEESEBALLS

After nearly 20 years, we have increased our price of St. Anne’s Cheeseballs to \$6.

Mixing and Rolling of St. Anne’s Famous Cheeseballs has resumed this year with safety precautions in place. Upon arrival, temperatures are taken, masks, gloves and hairnets are worn mixing and rolling. Our work space has been arranged socially distanced for both mixing and rolling. The mixing crew has a set team. If you would like to help with rolling, those dates are: October 6, 20 and November 3 and 17. Please contact Cathy Carter or email office@stanneswarsaw.org. We need to know in advance our numbers for contact tracing purposes.

NURSERY CARE

During the Covid 19 Pandemic we have closed our nursery upon the direction of the diocese. If infants and toddlers need to be changed or use the restroom the nursery is unlocked. At this time, the toys and books are not available for use. If using the nursery, please use disinfectant cleaner to clean the surface when finished. Thank you!

NEW SOUND & VIDEO LIVESTREAMING

If you have not had a chance to join us for worship in person, the new live streaming of our 10:15 a.m. service is available to watch on our Facebook Page: St. Ann's Episcopal Church in Warsaw, IN. We are so very blessed to have the equipment needed to offer this service. Last year we had a private donor offer to match contributions given for a new sound system that would be designed for our space. In February the equipment was ordered and the week we had to close our doors the sound system was to be installed. The installers were still willing to install, and the sound is fabulous.

In April, the Center for Congregations was offering technology grants to churches to purchase video and sound equipment. St. Anne's received a grant to purchase the video equipment needed to pair with the new sound system to live stream our services for all to see and hear. On Sunday, September 20 our service was live with the new system in place. A special thank you to Samuel Schmidt for many hours installing the video equipment and to Scott Bianchini who is working with Samuel to learn how to run the system. They have each had a turn to be our video and sound technician for Sunday services. If you see either of them, please offer them a word of thanks.

KEYPAD ENTRY CODE

In March, at the start of the Covid 19 Pandemic, we were directed by the Diocese of Northern Indiana to close our office and work from home. Father Ryan and the Vestry made the decision to change the keypad entrance code that is used to enter the building to ensure that we could have proper contact tracing. We are still required to keep a list of who enters the building for contact tracing purposes. If you have a ministry that requires you to enter the building, please make arrangements with Carol Bianchini our Parish Administrator to come in during office hours or if you need to enter during non-office hours she can provide you with a temporary code. Until the contact tracing requirement ceases, the code will not be given out to various groups and ministries. (If you need cheeseballs, please contact Carol to come during office hours.)

MUSIC DURING THE COVID—19 PANDEMIC

We all know how important music is to St. Anne's during worship, it is a vital part of who we are. When the protocols were sent to each parish with the criteria that needed to be followed to have indoor worship, on the list was no singing. Our Director of Music, Bob Jarboe didn't like the idea of no singing in the sanctuary so he created a "Jarbooth". The Jarbooth that is pictured below allows one person to sing a solo or with the curtain pulled in the middle, a duet can safely be sung. The purpose of the Jarbooth is to keep all aerosols that escape during singing to stay within the booth keeping it safe for all those worshipping in the space. Good job, Bob!

Pictured above Marc Vosler singing a solo during communion.

Youth Group Celebration

As a thank you to Mike Lewis, Christian Formation Teacher for our teens, we would like to thank him for his leadership and for his ministry to our St. Anne's Youth.

When: Sunday, October 11
[October 25 being a rain date.]

When: 1 p.m.

Where: Meet outside the Morgan Library on the Grace College Campus

All teens are invited to attend a Frisbee golf game and lunch. **Frisbees will be provided.

PRAYERS & CONCERNS

Are you receiving our e-mail "Prayers & Concerns"? If not, please send a note to the office with your e-mail address and the request to be on the "Prayers & Concerns" list. This e-mail shares information about those who have asked to let our parish family know that they need prayer. We are also sending written copies of "Prayers & Concerns" to all parishioners who are homebound.

There are also cards on the gift counter for parishioners to send to other parishioners that are on your mind. It's always nice to know someone is thinking about you. If you'd like to include a prayer request for a certain person in our parish family, please get their approval first, then submit it in writing to the church office by e-mail or call.

2020 ALTAR FLOWER CHART

Did you know that you can sponsor the flowers that adorn the altar each Sunday? The 2020 Altar Flower Chart is posted in Rose Hall on the bulletin board. Place your name by the week you would like to sponsor. You will be sent an envelope for your donation that will have a space for you to write:

In celebration for...

In loving memory of...

In thanksgiving for...

The cost is \$40 per arrangement and two are needed each Sunday.

CHRISTMAS FLOWERS

Envelopes are available in the pews or on the tile table in the entrance. You may give Christmas flowers in thanksgiving for... in celebration of... or in memory of loved ones. Please have flower donations to the office by December 20 to be included in the Christmas Eve bulletin.

BORROWING THINGS FROM ST. ANNE'S?

Part of stewardship is taking good care of the things God has provided. In order to best keep track of and maintain the items of the church, we now have a "Property User Agreement" form. Whether you are using a coffee pot or chairs for a reception at home, please see Carol, the Parish Administrator, in the church office during office hours. There is a quick and easy form we are asking everyone who borrows anything from the church to complete. Thank you very much!

Thanksgiving Baskets

Chairpersons: Cathy Carter & Deb Blatz

The time for providing Thanksgiving meals to those in need in our community is approaching. This outreach project is a huge undertaking for our church and one that provides great blessings to all involved. The cost of this outreach is approximately \$7,000 and everyone's help is needed! Everything is purchased for the meals at cost through Owens. This year, we plan to do the same. We are able to get more food for the money buying in bulk. To make a donation for the Thanksgiving basket outreach, please write a check to St. Anne's and write Thanksgiving baskets on the memo line. Donations can be given for the price of a single Thanksgiving meal at approximately \$35 or a portion of one. Based on numerous discussions with committee members and information about some families' circumstances, a ham will be provided for the Thanksgiving meal. A Thanksgiving ham should provide all our families with an easily prepared, nutritious meal, without waste. We are blessed with a church family that gives so generously to others in need! In 2019 we provided over 230 baskets. If you have questions, please contact one of the chairpersons.

December

Hats, Mittens, and Gloves

Chairperson: Miechi Petro

We will collect items to keep children warm on the cold winter days. Please bring hats, mittens, and scarves to be donated to the Title One Schools in Warsaw and place them on the "Giving Tree" in the entrance area.

MINISTRY NEWS

CHRISTIAN FORMATION Deb Blatz

Since Covid 19 took hold of our country, church services, and formation programs, St. Anne’s children and youth formation has been on hiatus. The start up of church services gives hope that we can begin meeting together again soon.

The Christian Formation team would like to recognize and thank Lisa Francis for her ministry as the Atrium I teacher and Mike Lewis for his ministry to the St. Anne’s Youth. They have both modeled leadership and servanthood for our young children and youth. They will both be stepping down from their roles and we will recognize them with activities to show our deep appreciation for the work they’ve accomplished with our children.

This provides an opportunity for others who love Christian Formation to offer their services as we reorganize and rethink how we will deliver Christian Formation going forward. If you are interested in being a member of Christian Formation, please contact Fr. Ryan or Deb Blatz to find out more. There will be a meeting of the Christian Formation team when Fr. Ryan returns from vacation. Updates will be published in the Sunday bulletins.

STEWARDSHIP Brenda Rigdon

In a Stewardship homily several years ago, I told you about my husband’s Grandmother, Billie Rigdon, and her use of a special table grace on certain Sundays. If our prayer before dinner was, “Heavenly Father, for that which we are about to receive, make us truly thankful. Keep us mindful of the needs of others. In the name of the Father, the Son, and the Holy Spirit, Amen.”

If that was the prayer, we knew, without a doubt that Grammie had burned the roast. It was her way of asking God to bless something that she had messed up. Something that had gone badly wrong.

It is easy to give thanks for great blessings and good things that happen in our lives. We feel good about ourselves, our lives, our families,

and we want to share that love and those blessings with others. But what about during times of trial and loss?

Since early in March, so many people in the world, in our community, and in our church family, have suffered losses. Lost jobs, lost hopes, but most tragic? Lost loved ones. What we were hoping for in the early Spring seems no longer possible as the leaves turn color and fall to the ground.

And so we wonder: Why should we give? Why should we continue to support our church with a pledge?

And the answer? According to the Very Reverend Sam Candler, dean of the Cathedral of St. Philip in Atlanta, Georgia: “We give thanks in the midst of loss the same way we give thanks in the midst of gain. We think outside ourselves; we think bigger than ourselves. Giving thanks means being willing to focus attention on something larger than ourselves. I do not mean thanking God for something gone bad or for some tragedy. BUT, God does know loss. And God does know the pain of our sadness when we lose. My God is the God who knows the height of my elation but who also knows the depth of my losses.”

Personally, my sincere prayers are that the global pandemic will wane, that vaccines will be developed and distributed equitably around the world. That normalcy will return in our daily lives, in our common lives as members of St. Anne’s Church in Warsaw. I miss our corporate worship, our warm fellowship, I miss seeing the bottom half of your beautiful faces!

And the best way to ensure that we can continue to be a family, a vibrant and supportive church family, is to prayerfully continue to support this parish by making a financial pledge of support.

As Grammie’s other favorite table grace so simply but powerfully states: “Heavenly Father, *what we have tis of thee. Take our thanks. Bless and guide us. Bless and guide those we love.* In the name of the Father, the Son, and the Holy Spirit. Amen.”

ST. ANNE’S NEW WEBSITE Julie Kuhn

The website committee has been pretty active during COVID19. Since our previous website was being phased out by the vendor, we hired a consultant to transition our old site to a new site. Overall, it will look familiar to you and should feel comfortable as you travel around the site. The improvements include better tabs and an accordion function to the pages, which presents our information in an easier to use arrangement. This makes the experience more responsive as you look around. The calendar is significantly different. When you open the calendar tab, you will see that different views are available (monthly, weekly, daily, list, grid, tile). Feel free to explore the different views. Future work includes adding a way to set up online giving for regular giving and for special offerings.

Admittedly, web Information has been a little sparse due to limited activities during COVID19. In the upcoming months, we hope to be able to display more opportunities for formation, service, fellowship. Our committee meets twice monthly to discuss the status of each tab/page and any changes we may need to consider. The committee members include Julie Kuhn, Carol Bianchini, Brenda Rigdon, and Fr. Ryan. We welcome new members, just contact any of us.

ECW (Episcopal Church Women) Sandra Buchanan
Despite not being able to meet due to Covid-19 restrictions the ECW has still been continuing with our missions. We have donated to Strengthening Families, Fellowship Missions and Gateway For Education and purchased Day By Day booklets, which Carol mailed out to interested parishioners. I am proud to say our work continues even during a pandemic!

TREASURERS REPORT Gary Proietti, Treasurer

Here are the financial results through August 31st, 2020. Overall we are in good shape with the following highlights:

1. Our investments through State Street Global have rebounded from a loss in value of (9.8%) in March of this year, to an increase in value through August of +.5%.
 2. Pledges and Plate Offerings are up 10.2% over budget and 3.6% over 2019 levels during a tough and uncertain year. Thank you so much for keeping your pledges current.
 3. Operating Expenses are down 21.9% in great part due to the Church and Office being closed and access restricted. Now that we have begun to open again, 2020 Budgeted projects will begin to resume.
 4. We are very grateful to have, upon our second application, qualified for and been granted an SBA Loan through the Payroll Protection Program (PPP). This government program was designed to help employers offset 2 months of payroll, benefits and related payroll expenses, in addition to utilities.
- Note: We currently have not been given the protocols to obtain loan forgiveness and are awaiting our lender’s guidance once the government identifies what information will be needed for 100% loan forgiveness.

The St. Anne’s Family continues to be very blessed. Thank you again for keeping your pledges current during these difficult and challenging times.
