

Dear friends of St. Anne's,

It has been a long and treacherous thirteen-plus months since the beginning of the pandemic and the various restrictions it has placed on our lives. Thankfully, with vaccinations and some precautions, we can now enjoy many of the activities we sacrificed for everyone's health and safety; worship, education, and limited gatherings at the church have returned, giving us all a sense of hope for revitalization in our faith community.

I am particularly excited to see the return of Christian Formation activities, which include education for both children and adults. This spring, the leaders for each are Marla Norris and Julie Kuhn (K-6), Deb Blatz and Chuck Brindle (7-12), and Brenda Rigdon (*Walk in Love* adult book study) – many thanks to these volunteers for their service to our church! These activities strengthen the Body of Christ by broadening and deepening the faith of everyone involved; without them, the Body of Christ suffers both spiritually and intellectually. Let us say, therefore, that we are happy to give people more reasons to be here!

Other things have begun their gradual return; in worship, for example, we have a crucifer once again to lead our rather modest processions, which allows for a bit more lay participation in the liturgy (and I am a big proponent of that). I am not sure, though, of when we will be allowed to receive Holy Communion "in both kinds" (bread and wine); I have raised this matter with the Bishop and other clergy of the Diocese, and, as I understand, contact-free ways of administering both kinds are currently under consideration.

Elsewhere I have remarked that Lent began in early 2020 lasted all the way into 2021; certainly, when considering all the things we had to give up during that time, this is not all that inaccurate! We know that this "year-long Lent" affected the church in numerous ways (much as it affected our society), especially through increased institutional anxiety, division, conflict, and grief. Many of you, like me, have heard grave predictions of the collapse of churches because of demographic trends that were exacerbated by the pandemic. Frankly, I am not quite ready or willing to give in to such gloomy forecasts. I sense, too, that a number of people at St. Anne's possess the passion and vision to bring about a post-pandemic renaissance, which makes the future seem much brighter.

With God's help, we will see this renaissance, and all we need is the renewed commitment of the members of St. Anne's who so graciously offered of themselves in the past. Be assured that, as long as guidelines from the CDC and Diocese are followed, we can resume (if we have not done so already) many of our in-person activities, including meetings of our Standing Committees and the events and ministries for which they are responsible. Know, too, that I am available to be a part of this process and want to share my vision and hope for 2021 and beyond.

As many of us have grieved the isolation and loss related to the pandemic, please be reminded of this, which comes from Paul's letter to the Romans: "For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord" (8:38-39). Tired language of (especially) "social distancing" finds its death in these words of profound hope, because, while many things of this world can "distance" us from each other,

GIFTING ST. ANNE'S IN YOUR WILL

St. Anne's makes a difference in the lives of people. Your contributions help support the many ministries of our church to the wider community. Please remember St. Anne's in your will. You can make a gift to St. Anne's AND earn income for the rest of your life! Ask Brenda Rigdon how. Call Brenda at Kosciusko County Community Foundation at 574-267-1901.

continued from cover page... absolutely nothing can take away what we have in God's love. There, we have communion, togetherness, and an eternal bond – to God and to each other.

Bringing that back to St. Anne's, I think we have been through the worst, but we have retained God's love, and now we realize that in building up – with God's help – the post-pandemic church.

Blessings to all of you,

Fr. Ryan

ST. ANNE'S DAY CELEBRATION

We will celebrate St. Anne's Day with our church family on Sunday, July 25 with Brunch following the service. Our Patron Saint, the Grandmother of Jesus, will be honored in Rose Hall as we all come together to enjoy a catered meal and fellowship. Due to the Covid guidelines of the Diocese, we cannot do a potluck meal but a nice catered brunch will allow for more relaxed celebration of our Patron Saint without the hassle of food prep or clean up.

Please mark your calendars now and plan to attend the service at 9 a.m. and the lovely meal and fellowship to follow. (We will only have one service on this day.) Watch the weekly pew bulletins and the email for more details and possible opportunities to assist as they are determined.

THRIVING CONGREGATIONS

The Diocese of Northern Indiana is working with the Diocese of Indianapolis to implement using our church buildings for more than just worship. Each parish was asked to identify a point person that would be willing to commit to a two year program to explore with others in Indiana to see what ways our buildings can be utilized. Below is a link to the document that tells about this initiative. We need to have a heart for loving others as Christ loves. Please take a look at the link below, pray about this ministry and time commitment and if this ministry is something you have a passion for, please contact office@stanneswarsaw.org.

CREATION CARE

Cheryl Hastings has agreed to be our parish representative for the Creation Care Initiative. The Creation Care Initiative is based on understanding ourselves to be stewards of what belongs, not to us, but to God. Stewardship of creation therefore demands that we "seek to heal, defend, and work toward justice for all God's creation and to respect the kinship and connection of all that God created through education, advocacy, and action." The people of the Episcopal Diocese of Northern Indiana engage in Creation Care through a variety of activities, some of which are highlighted on the diocesan webpage: <https://ednin.org/creationcare>. Please check it out and let's support Cheryl as our representative.

MINISTRY NEWS

SR. WARDEN’S Greg Ellis

As we get ready to move into summer and hopefully a return to more "normal" ways, I would like to look back on Easter and what it meant to me. The ability to hold the service with an increased congregation and music brought out emotions I didn't know I had or had been suppressing. Greeting friends and fellow parishioners in person after in some cases over a year brought tears to my eyes and hope for the future. As we move into our summer activities as a church, such as the St. Anne's Annual Sale, youth camps, and St Anne's Day let us be mindful that we are still not out of the woods and must still follow the guidelines set by the diocese. Let us pray for the full return to openness in our worship and fellowship.

BUILDING AND GROUNDS CO-JR. WARDEN'S

It is with gratitude that we announce that Dan Kuhn and Bob Walmer have accepted the position of Co-Jr. Wardens for 2021 through 2022. Thank you Dan and Bob for sharing this responsibility.

CHRISTIAN FORMATION Deb Blatz

Christian Formation for Children K-6 and Youth 7-12 began meeting in person on April 18, with Marla Norris and Julie Kuhn leading the K-6 group and Deb Blatz and Chuck Brindle coordinating the youth. The children's Atrium class has an excellent, new curriculum with videos plus handouts, based on the parables of the Bible. Prior to the start of in-person classes, preschoolers and kindergarten children received a daily devotional book delivered to their homes. First through sixth graders were given a copy of "The Bible in 365 Stories". The Adult Forum began in-person with the continuation of a book study of "Walk in Love, Episcopal Beliefs and Practices", led by Brenda Rigdon. Stay tuned for summer activities. The Christian Formation Committee meets online monthly; please join us to discuss formation by contacting any member of the committee, which includes Deb Blatz, Julie Kuhn, Marla Norris, Chuck Brindle. Contact information for the committee is in the Church Directory.

COMMUNICATIONS/PR MINISTRY Julie Kuhn, Carol Bianchini and Brenda Rigdon

The website committee itself was on a hiatus during the beginning of this year. We are still learning new ways to enter information to the Website, so information is easier to locate. Please take a look at www.stanneswarsaw.org to see what we have going as we add more fellowship and ministry activities. The committee members include Brenda Rigdon, Julie Kuhn and Carol Bianchini with Fr. Ryan, a frequent supporter during meetings. When regular meetings resume, those dates will be added to the calendar. The Communication and PR committee is always open to new volunteers, if you are interested, contact Julie Kuhn at: julie.hradel.kuhn@gmail.com.

STEWARDSHIP Brenda Rigdon

Giving to the Church is Worship - A couple of years ago, Bishop Sparks invited me to join the diocesan group Faithful Stewards. It is our job, as a task force, to help congregations in the diocese improve their stewardship practices. This summer Tim McLaughlin and I will be working on a webinar presentation on electronic giving.

But something I think we also need to spend time on is teaching Episcopalians about what our offering to God really is. It's not about balancing a budget (although that is one outcome). It is not about supporting outreach and ministries (although that is another outcome!)

The nitty gritty of our gifts is this: offerings, via pledges or in the plate on Sunday mornings, are an act of worship. Giving of our resources in this manner gives each worshipper the chance to respond in gratitude to the grace, love and mercy of God. Just like saying the prayers and the Nicene Creed, just like singing hymns and listening to the sermon, our financial gifts are an integral part of worship.

"Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God." Hebrews 13:16

The Episcopal Church Women are happy to report we have continued giving to our parish family and our community. At the annual meeting we gave gift cards to the two recipients of the St. Joseph's award. Congratulations, Bob Jarboe and Samuel Schmidt. We have paid for the 2021 subscription of "Forward Day By Day" booklets for our parishioners to enjoy and have contributed to the monthly outreaches of the Beaman Home, Fellowship Missions, B.A.B.E., and C.A.S.A. We are looking forward to joining with SAMS and fellow parishioners serving and helping at this year's St. Anne's Annual Sale.

SAMS

Frank Sapper

Saint Anne's Men's Society continues to meet monthly, usually in Rose Hall. Meetings are the first Monday of the Month. Discussions include but not limited to outreach programs, scholarship awards, and other topics of interest as they relate to our community. SAMS is open to all men of the church. We hope to see all men at the next meeting.

Saint Anne's Annual Sale, "Used to be called Tent Sale", will take place the first week in June. Donations will be accepted during the week of the sale, and can be dropped off at the "Family Arts Building" at the fair ground. Please sign up to volunteer during this major fund raiser in order to help

MUSIC NOTES

Bob Jarboe

What a crazy past 12 months it has been when it comes to music in our worship services! With some ingenuity and dedication from our musicians, we were able to continue with music in church. I appreciate so much the dedication of our musicians. And now (praise God!) we are back to singing the hymns and service music. A special thanks to Samuel Schmidt for getting our new sound system in order, recording our music and refining it so that we sound good. There will be a workshop for anyone who is interested in being a "sound tech" for Sunday morning worship. The more that are trained, the easier it is to schedule.

Looking ahead, if all goes well this summer, choir will resume in the fall, beginning in August and the “Jarbooths” removed.

MUSIC NOTES cont

All choir members take a note and anyone interested in joining, by all means, please do. We have a great fellowship in our rehearsals. If it's not feasible, then the "Jarbooths" will remain for recording solos and duets. In the meantime, anyone who would like to do a solo or duet for this summer, let me know (text: 574-505-0907) and I will work with you.

PRAYERS & CONCERNS

Are you receiving our e-mail "Prayers & Concerns"? If not, please send a note to the office with your e-mail address and the request to be on the "Prayers & Concerns" list. This e-mail shares information about those who have asked to let our parish family know that they need prayer. We are also sending written copies of "Prayers & Concerns" to all parishioners who are homebound.

There are also cards on the gift counter for parishioners to send to other parishioners that are on your mind. It's always nice to know someone is thinking about you. If you'd like to include a prayer request for a certain person in our parish family, please get their approval first, then submit it in writing to the church office by e-mail or call.

★ BORROWING THINGS FROM ST. ANNE'S?

★ Part of stewardship is taking good care of the things God has provided. In order to best keep track of and maintain the items of the church, we now have a “Property User Agreement” form. Whether you are using a coffee pot or chairs for a reception at home, please see Carol, the Parish Administrator, in the church office during office hours. There is a quick and easy form we are asking everyone who borrows anything from the church to complete. Thank you very much!

TREASURER'S REPORT

Gary Proietti, Treasurer

Greetings Everyone, Snow, Sleet and Sunblock! Welcome to Spring in Northern Indiana!

In the First Quarter of 2021 we applied for forgiveness of our SBA Loan (\$34,100) through last year's Payroll Protection Plan provided through the CARES Act. We have not yet received confirmation that the loan has indeed been forgiven, but we remain hopeful that we will receive word soon.

In January we received our abatement of one month's Diocesan Assessment (\$3,461.50) that was granted to all parishes. Our thanks to Bishop Doug, the Diocesan Council and Finance Committee for granting this much needed pandemic relief!

We filed our 2020 Parochial Report in which we were required to report the P.P.P. sponsored SBA Loan received as "Income" and thereby subjected to the 15% Diocesan Assessment. I contested this requirement stating that this money was specifically designated by the SBA to be used for Labor, Labor Expenses and Utilities, and not in our opinion, to increase a Church's assessment to their Diocese.

After an incredible effort, all uncollected Cheeseball Income has been received from our Vendors and Parishioners. Thanks to Carol and all our volunteers for their incredible efforts! We still have many unsold Cheeseballs.

Please contact the office if you would like to purchase some for your summer picnic needs.

Our investments have grown by 2.8% in the first quarter. Our Pledge and Plate Offering Income is on track to our budget for the first quarter. Thanks so much for staying current on your pledged commitments. Total operating expenses are 7.8% below our budgeted level, so we are positioned well financially through the first quarter of 2021.

Pictured above are Fr. Ryan with Executive Director of C.A.S.A. (Court Appointed Special Advocate) Erin Rowland Jones and Aimee Kintzel, Advocacy Specialist. St. Anne's parish family, through donations and our budget for Outreach Missions and Ministry, donated \$875 along with several games to C.A.S.A.

OUTREACH DOLLARS MAKE A DIFFERENCE

Thank you for giving generously to our outreach ministries! In January, February, March and April St. Anne's gave:

- \$715 was donated to The Beaman Home Shelter along with several pairs of pajamas.
- \$880 was donated to Fellowship Missions along with baskets full of toiletries.
- \$680 was donated to B.A.B.E. along with a collection of baby supplies.
- \$875 was donated to C.A.S.A. along with board games and supplies.
- \$1534 was given for rental assistance to people from the community.
- \$109 was given as thank you gifts for Christmas.
