**We Value:**  
*Shared ministry between the clergy and the laity, development of our youth, diversity and inclusion, relationships built through fellowship.*

**A PRAYER for ST. ANNE'S NEW BEGINNING**  
(Adapted by Joe Czogosz from John O'Donohue's "For a New Beginning," in *To Bless the Space Between Us*)

In out-of-the-way places of our hearts, where our thoughts never think to wander,  
A beginning has been quietly forming, waiting until we are ready to emerge.

For a long time this beginning has watched our desires, feeling the emptiness growing inside us,  
Noticing how we willed ourselves on, still unable to leave what we had outgrown.

This new beginning watched us play with the seduction of safety, and the gray promises that  
sameness whispered,  
Heard the waves of turmoil rise and relent, wondered would we always live like this.

Then the delight when our courage kindled, and we stepped onto new ground,  
Our eyes young again with energy and dream and hope, with paths of plenitude and fulfillment  
opening before us.

Though our destination is not yet clear we can trust the promise of this opening;  
May we, today, unfurl ourselves into the grace of **beginning that is at one with our life's desire.**

May we awaken our spirits to adventure; holding nothing back, **learning to find ease in risk;**  
Soon we will be home in a new rhythm, for **our souls sense a new way of**  
**living in the world that awaits us.**

I'm writing this missive at the time in our church year when our Gospel readings have us looking forward to our "life's desire." As I've already reflected in one Sunday's homily, the Christian use of the religious term "resurrection" is a way of talking about our individual and communal "relationships" with God that go beyond the realities of human physical, emotional, relational limitations. "Resurrected life" refers to our relationship with "God" that preceded our respective births, continues through our self-reflective life as we live it out day by day, and continues after our bodies die and "return to dust." As our Gospel passages through the end of this church year on the Feast of Christ the King, Sunday, 11/23/2025, attest, our respective engagement of our "resurrected life" continues to form and inform our responses to all the natural and human-induced changes to our worlds. I think that this is what O'Donohue is referencing in his invitation to "unfurl ourselves into the grace of beginning that is at one with our life's desire."

Since St. Anne's, as a faith community, has celebrated its first 75 years of life in Christ Jesus' Spirit, we've begun taking stock of our communal spiritual health to better engage St. Anne's next 75 years. In "taking stock" of life as we're living it, I've come to trust and rely on a kind of principle that I state as:

**THE VISITOR**  
**Winter Issue 2025-2026**

“I/we are always closest to truth and reality in what we affirm(celebrate), rather than in what we deny (prohibit).” My first “adult” encounter with this principle was in my interfaith and ecumenical ministry as priest/theologian. Church theologian and ecumenist, Avery Dulles (son of John Foster Dulles), was the first theologian to explicitly apply this “principle” in his public assessments of Christian, inter-church relations. Applying this principle to St. Anne’s, we can affirm the felt strength of St. Anne’s renewed commitment to be a community of faith where “all are welcome” in the reality of “receiving” new members who do bring with them different experiences and perspectives in life and faith, across which established members are learning to communicate and share faith. This experience of new members gives all St. Anne’s members the *learning to find ease in risk* as we take initiative to get to know and incorporate new members in our existing ministries and work as a faith community. This is just one example of where *our souls sense a new way of living in the world that awaits us* even as we participate in creating and “resurrecting” that world. In future homilies and Visitor articles, I’ll expand on this taking stock of St. Anne’s new beginning.

As I bring this missive with you to a close, I invite all readers to discern where and what you can affirm(celebrate) about St. Anne’s new beginning as church. Please consider sharing what you discern with members of St. Anne’s in our gatherings before and after our worship and committee and ministry meetings, while creating “cheese balls,” and whenever you have opportunity with other members to compare notes on experiences at St. Anne’s. May we continue to enkindle this reflective way of life in Christ Jesus’ Spirit!

GREENING OF THE CHURCH

Sunday, December 14, following the 10:15 a.m. service we decorated the church for the Fourth Sunday of Advent Lessons and Carols and Christmas Eve Mass. Parishioners put the trees together, fluffed them, and made sure that the lights shone brightly. We hung greens from the balcony and made our space joyful and festive. Consider volunteering to help take the decorations down following the 10:15 a.m. service on January 5 to store for next year.

2026 ANNUAL MEETING

January 25, worship will begin at 9 a.m., followed by a carry-in brunch and meeting. Please sign up in Rose Hall to bring a dish to share.

## Leaders Needed!

At our January Annual Meeting we will be electing new Vestry Members. We will have three openings on the Vestry, for three year terms. If you are interested in serving a three year term, please speak with Sara Bauman, Miechi Petro and Bruce Shaffner who are currently serving as the nominating committee. Please note: to serve on vestry you **MUST** be a confirmed and pledging member of St. Anne's. At the Annual Meeting this is also a requirement to be able to vote.

If you feel that God is calling you to serve your church in a leadership role, please submit your biography to the Parish Administrator, by email or drop it off to Carol directly. Biographies must be emailed to the Parish Administrator by January 1 in order to be posted. Please include a photo of yourself if possible.

The Vestry meets once per month, with the exception of July and November. Every Vestry member is expected to be a pledging member in good standing.

The Vestry works together, with our Priest to take care of governance issues, set policies, and achieve our mission. They approve the budget every December for the upcoming year. And we raise up the next group of leaders by asking them to serve on our committees with us.

We listen to the members of our congregation when they have an idea, issue, or a problem and bring that information to the board.

It is rewarding work. It is not a major time commitment, although some months the load is a bit heavier than others. This is an exciting time to be a leader at St. Anne's. Please prayerfully consider stepping up to serve.

MINISTRY NEWS

JUNIOR WARDEN Bob Hastings, Jr. Warden

2025 Advent/Christmas: It's been a busy fall at church. The landscape maintenance was taken up a notch with additional trimming of bushes, hedges, and trees. Sidewalks were edged and the parking lot cleaned of sticks and leaves and recovered and lined. The landscape committee has met to consider updates and improvements or changes to the grounds around the church. If you are interested in joining and providing ideas, support and labor please consider adding your name to the sign-up sheet on the bulletin board. The two areas most discussed include a labyrinth for the east lawn and ideas for the land north of the church. Stay tuned as we work towards project definitions and details.

The building has had some necessary fixes recently. The basement freezer that is used for cheeseballs needed a new cooling system. The repairs were done as soon as possible for the cheeseball season. In addition to the freezer three of the four gas furnaces used to heat the church needed repairs with two of them locked out due to excessive carbon monoxide levels. All three furnaces were replaced and are working well. The church foundation was fixed/sealed so no more water leaks. The church has programmable thermostats throughout the building which allow us to moderate the temperature. During the summer months the church may feel warmer during unused times and during the winter months the church may feel cooler during unused times. This helps us save on utilities. I mentioned earlier this year that I have trended the utility usage over the last several years. Good news is that utility usage has trended lower this year.

An area that deserves more attention is the kitchen. It is a hub of activity for so many missions. I think it is important for us to understand the use and operation of the equipment including safety and cleanliness of the kitchen. The dishwasher was recently fixed and is running well. There have been some concerns about the use of the

stove and ovens. There is a sign-up sheet on the bulletin board for a kitchen committee to discuss and develop common processes and procedures. There is also an opportunity to discuss new ideas and plans for the kitchen.

Finally, I have been listening to several of you that have had thoughts, ideas, and dreams about improvements or renovations to the building, and I have considered developing a plan to discuss with the church and the vestry. This is a longer-term effort but I'm keeping track of the ideas, so I'd like to hear from anyone. Please feel free to contact me.

It is a sure sign that winter is coming when the community garden has been cleaned up and put to bed. Egg shells and various compost items were mixed into the soil and the garden is bedded down with a layer of leaves. We had quite the bountiful harvest this year. Special thanks to all who signed up to water and tend the garden this season.

The Beacon has had a work out since SNAP benefits were suspended. We cannot thank everyone enough who donated to help tide our neighbors over during this uncertain time.

We continue to serve our friends at Retired Tigers by delivering food to them every two weeks. They especially loved getting food that was leftover from the soup kitchen. Every resident will be getting a surprise in December. We are putting together a Christmas gift bag full of goodies to make sure each and every one that lives there will have a Christmas gift.

It is because of your generous donations that we are able to bless our neighbors with the gift of food. Thank you.

## COMMUNICATION & PUBLIC RELATIONS

Julie Kuhn

Dave Baumgartner, Carol Bianchini, Bob Jarboe, Judy Kinsey, Pam Nichols, Brenda Rigdon, Steve Shelby & Laurie Victa,

We have worked diligently to upgrade our live stream system and improve the quality of sound in the sanctuary. Leading our improvements is the purchase of a physical sound board a new camera, a new receiver, and headphones for the priest's microphones. We now have two microphones available for use. The video is better and clearer and our new camera allows the customization of views. Everything in these first two phases is hooked up and operational. The sound quality for both livestream and and sanctuary have drastically improved.

The final phase is almost ready for approval. While the sound in the church is improved, some parishioners with hearing aids still need help hearing the service and will benefit from Assistive Listening Devices. The devices we recommend use enhanced bluetooth technology. More will be shared as this process moves along.

In other news, we have started to scan photos for historical archive purposes and invite others to sign up to help and we are looking at restarting podcasts. Send ideas and volunteers our way!

## THANKSGIVING BASKETS

Deb

Blatz

We held our annual St. Anne's food give-away two weekends before Thanksgiving. Warsaw schools submitted names of families who would need food during the upcoming holiday. For over twenty years, bags with traditional holiday food have been provided to school families. This year, 200 bags of food and \$40 food vouchers were given to families.

I haven't been part of the distribution for the past 4 years, and it was gratifying to be involved again. Warsaw Community High School students were translators for Spanish speaking parents this year, and it was a blessing to the team and to parents.

I observed parents hesitating as they entered the church, unsure whether they would understand how to obtain the food basket. However, when the students met them with a smile and greeting and spoke Spanish to them, parents visibly relaxed and many times engaged with the student, expressing their thanks with a smile.

St. Anne's has provided food baskets for so many years, and we normally have a few persons who come in during the food distribution and are not on the school lists. This year, these people did not go away empty handed. Thanks to the Diocese of Northern Indiana's Feeding Grant, they completed an application and were provided with a food voucher for local groceries.

I'm proud to be a member of St. Anne's and I love helping students and their families with Thanksgiving food. We can all relate to the higher cost of food this year, and I'm especially proud that the families are treated with respect and understanding as the food is distributed to them. Thank you to everyone who gave time or funds to this food outreach.

## TREASURER'S REPORT Gary Proietti, Treasurer

Holiday Greetings Everyone!

We are now in the midst of our Stewardship Drive for 2026. As you prayerfully consider your financial support for St. Anne's next year, I would like to thank you so much for your support for this past year.

The Pledge and Plate income so far for 2025 is running ahead of our budgeted level and also our 2024 income level. Thank you so much. Unfortunately, our Operating Expenses this year have far exceeded the gains in our income with needed replacements of furnaces and HVAC units, new freezer refrigeration components, structural repairs and other much needed improvements.

St. Anne's Finance Committee met in late September to begin drafting our 2026 Operating Budget, which we will complete later in November and present to the Vestry in December for their approval. My sincerest thanks and appreciation goes out to our Finance Committee members Pam Hester-Assistant Treasurer, Carol Bianchini-Parish Administrator, Jay Rigdon-Senior Warden, Bob Hastings-Junior Warden, Curt Singrey, Shawn Vicia, Larry Brown and Father Joe Czolgosz.

I wish you all the very Happiest of Holiday Seasons and blessings for a safe, peaceful and joyful 2026!

Father Joe and Erin Leinbach who is a teacher at Warsaw Community High School attended services in November to share the impact that our donations from St. Anne's make on the students. Thank you for your generosity!
